

OONA Beautification Committee

Recap 6/20/16

Present: Kevin Casper, Lynn Casper, Dick Cromwell, Lisa Grizaniuk, Judith Hibbard, Paul Hollenbeck, Brent Lohmann, Josh Murnen, Eric Pfohl, Tracy Tersigni

Absent/Invited: Jimmie Edwards, Craig Jablonski, Sandy Jones, Heather Meyer,

Main topics:

- Reviewed and further discussed possible uses, concepts and strategies pertaining to Drummond field and the other adjacent parcels owned by UT.
- Plan for rebuilding Bancroft Street as proposed will take about 7 feet of frontage from these undeveloped lots.
- Paul Hollenbeck to expand scope of concepts to include property at Bancroft/University Hills/Westwood as well as retail area on Bancroft near Middlesex to develop a more comprehensive vision.
- Drummond Road discussed as a natural site for gateway due to direct alignment with tower on University Hall.
- Josh Murnen to investigate reason for utility poles in center of Drummond and Goddard Fields and cost for Old West End Gateway structures.
- Paul Hollenbeck to meet with Bill Petrucci (owner of property adjacent to Driscoll Center) to bring him up to date on concepts.
- Kenwood Boulevard: End caps have all been planted within the last month. Conditions currently looking great. Volunteer weeders always needed throughout the season. Consider volunteer clean up day(s) in Spring in 2017 to better prepare the Boulevard beyond the standard city maintenance.

Next Meeting: Saturday, July 9, 10 AM, Biggby Coffee, Cricket West (upstairs)
