

# Sustainability Committee Met

Mark Valdes-DePena reports:

Our Neighborhood Sustainability committee met this past Thursday evening, April 28th.

In attendance were:

Myself, Steven Lick, Maggie Greer, Tom Douglas, and Barbara Floyd

Our goal for this first meeting was to establish a couple of main objectives for our group. We decided upon the following;

- Find out whatever means are available to get landlords to maintain the upkeep of their rental properties
- Find out whatever means are available to tamp down nuisance behavior (noise and unsightliness)
- Find out whatever means are available to keep parking violations to a minimum
- Find out whatever means are available to control and/or enforce the 'three unrelated individuals' housing code

I'm following up on the parking issue. The other three issues were divided up amongst the remaining attendees (sorry, I neglected to note who took what).

We have another meeting scheduled for our committee on Monday 16 May at 7:30 pm at Bigby's.
