

NEIGHBORHOODS
ASSOCIATION

Hello Neighbor,

Whether you have just moved in or have lived here for decades, we are so glad you are part of the neighborhood! Here is some helpful information for our residents.

The **Good Neighbor Committee** (formerly known as the Sustainability Committee) focuses on helping neighbors come together in a thriving community of people who communicate, help, and support each other by creating good neighbor relationships. This committee was launched to support the high quality of life we enjoy in our beautiful Old Orchard Neighborhood. The Old Orchard Neighborhoods Association (OONA) is proud have this initiative in addition to our work on Kenwood Boulevard, the annual Garden Tour and the Neighborhood Birthday Party.

In supporting these important connections, we have introduced helpful tools to how to find resources through the city or to set a positive example of how to be a good neighbor. In addition, your Volunteer Zone Liaisons (VZL) are here to help; please refer to the map below for information on your VZL.

We would also like to promote the **Engage Toledo** service that is available to all neighbors. The Engage Toledo App can be easily downloaded on your mobile device and used to report concerns to the proper City Department.

To access the App, go to the APP store on your device, search for “Engage Toledo” and select “Install”.

If you prefer not to use the App, you may call: **419-936-2020**

TIPS FOR SUCCESS

Be considerate and respectful; we pride ourselves on being a welcoming, engaging community.

Get to know your neighbors on a personal level. Introduce yourselves to each other; get to know each others’ families and schedules. Be mindful of diverse cultures and routines and watch out for each others’ safety.

Know the City of Toledo rules and laws, understanding what the city is responsible for and what your obligations are for things like trash disposal/pickup, keeping sidewalks clear of snow, cars and debris, pet clean-up, and quiet times (9 PM - 8 AM). Most of this information can be found of the City of Toledo website: toledo.oh.gov/engage-toledo.

Help us make sure Old Orchard continues to be a GREAT place to live and thrive and please consider supporting our neighborhood by becoming a member of the Old Orchard Neighborhoods Association.

The Old Orchard Neighborhoods Association is a 501c3 non-profit organization that promotes a safe and vibrant community by engaging with residents, the city, and entities that impact our neighborhoods. We do this by supporting improvements and beautification projects, creating awareness of issues that effect our residents, and representing Old Orchard in the greater Toledo community.
